COOKIE POLICY

This policy was made by the "The Rock" Museum Public Benefit Foundation (Address: Hungary, 1012 Budapest, Lovas street 4/C, tax number: 18728488-2-41). Its goal is to summarize the information about the cookie policy of the THEROCK.ACADEMY site.

1. WHAT IS A COOKIE?

A cookie is a small-sized data package, which is stored in the browser by the internet services. The cookies have countless functions.

2. WHAT FOR DO WE USE COOKIES?

The THEROCK.ACADEMY website uses cookies to run the site, to ease its use, to track activities done on the website, and to show relevant contents. Our detailed cookie usage purposes:

- *Distinguish and identify browsing users,*
- *collecting information about how you use our website - by assessing which parts of our website you visit or use the most, so we can find out how to provide you with an even better user experience when you visit our site again,*
- *the use of the chat and news function,*
- *the use of the live stream function,*
- *putting aimed ads on other sites.*

3. TYPES OF COOKIES

3.1. THE NECESSARY, BASIC SESSION COOKIES

These cookies assures the proper function of the site. They eases the use of the website, and gathers information about the activity done on the website without gathering information about the visitor. For example, memorizing the methods used by visitors to log in and memorizing the log in data, the website's notification message status. Without these cookies, we cannot guarantee the convenient use of our website.

3.2. THE NECESSARY SESSION COOKIES ASSURING THE FUNCTION OF THE LESSONS

We use cookies to support the users in the learning process. These cookies allows us to gather information about how the users use the e-learning database. They keep journal the process and help keeping the deadlines. Without these cookies, we cannot guarantee the proper use of our e-learning system.

3.3. STATISTIC COOKIES

In order to develop the site and to increase its user' experience for our users, we use cookies that allows us to learn about how the website is being used. These cookies cannot identify you personally. They gather information like, viewed pages, what elements did the visitor clicked on the site, how many pages were visited, how much time was the visit of the sessions, and what possible error messages occurred. This performance is provided by the cookies of the Google Analytics for example.

3.4. OTHER COOKIES

Other cookies include, for example, those that allow you to share the content of the website on social networking sites, and to automatically set the quality of YouTube videos.

4. HOW CAN YOU CHECK, OR TURN OFF COOKIES?

Every browser allows the user to change the cookies' settings. Most browsers automatically accepts the cookies as default but it can be changed in the settings. That way the browser can prevent the automatic acceptance, and each time it will give choice to accept them.

You can find these settings on your browser's web pages or in the help menu. It is important that after changing the settings, the page remains viewable, but some services and contents may not be displayed properly. For more information about cookie settings:
